Broomfield Residents

Bill had explained the problems with Broomfield Township Assessment would probably be 1 mill. Because of Sherman.

- Division of Village
- $\frac{3}{4}$ Mill Broomfield, 1 Mill Sherman
- Wheatland too far away.
- One fire department for one Village
- Fire protection as 1 unit
- Show of hands for Sherman Township
- Charge 1 mill and give $\frac{1}{4}$ to Village
- Control runs out with Sherman Township
- Coordinate charge to Broomfield to run out at some time Sherman does
- Guarantee that we will get Sherman Fire protection
- Assessment on empty lots
- Will they have protection before contract ends June 30th?
- Mutual Aid
- Meeting adorned at 8:50 p.m.
