

## Zoning Ordinances

A draft ordinance is considered by the Planning Commission. A public hearing is set, with notification required to be published at least 15 days prior to the hearing. Additional notification may be required via First Class Mail.

The Planning Commission holds a **public hearing**. After the close of the hearing, the Planning Commission may further amend the draft, or recommend the draft for approval or rejection to the Village Council.

The draft is then forwarded to the Village Council. The draft must then be introduced by a member of the Council and a 2<sup>nd</sup> public hearing scheduled.

The Village Council holds a **public hearing**, notice of which is required to be published at least 7 days before the hearing.

**After the hearing, the Village Council may act on the ordinance. If adopted, a notice of adoption is required to be published.**

The Village Council holds a **public hearing**, notice of which is required to be published at least 7 days before the hearing.

**After the hearing, the Village Council may act on the ordinance. If adopted, a notice of adoption is required to be published.**
