202.07 ADDITIONS, DELETIONS, & AMENDMENTS

The code of the Village is adopted as corrected by the Village Council, and shall be changed only by Ordinance. No change to the zoning code other than typographical errors and omission shall occur without there first being a Public Hearing of the Planning Commission, and may not be adopted unless the Planning Commission so specifically recommends the adoption of any changes.

202.09 CODE ADOPTED

The code of ordinances is hereby adopted by the Village of Lake Isabella
