

Q1 It is being proposed to increase the allowed number of items which may be stored (boats, trailers, RVs...) from a maximum of 3, to a maximum of 4 on parcels with a dwelling. All items must be operable, have a valid license or registration, only 1 item may be stored on the streetside of the home. Do you support this proposed change?

Q2 It is being proposed to also allow people who own a home and a vacant lot across the street from their home to allow them to store a maximum of 4 items on the otherwise vacant rather than on the same side of the street as their home. If doing so it would be required that they maintain the vacant lot including mowing the grass. Do you support this proposed change?
